# OVERVIEW ErgoDenta

## Why Orthodontic Instruments Ergodenta?

At ErgoDenta, we believe strong partnerships lead to success. That's why we work directly with our distributors—no middlemen, no extra costs—just over 2,500 reliable dental instruments delivered straight from our Denmark-based warehouse. From sourcing materials to production and shipping, we handle every step to ensure quality, efficiency, and smooth deliveries.

Inside this catalog, you'll find smart solutions designed to make dental work easier. ErgoRazor scalers and curettes stay sharp up to 3 times longer, reducing replacements. ErgoSlip instruments come in gold, black, and blue coatings, combining durability with a sleek look. ErgoTip allows dentists to replace only the worn-out tip, saving costs and reducing waste. ErgoTrays keep workspaces organized, while ErgoLite offers a costeffective option without compromising on quality.

With ErgoDenta, you get high-quality instruments, direct from the source. Browse the catalog and find the right products for your market.

### **DANISH DESIGN**

With our Danish roots and skilled craftsmanship, every product is made with great care and attention to detail and quality.

### **ERGONOMIC FOCUS**

We specialize in creating instruments that prioritize comfort and efficiency, helping dental professionals to work better and feel better.

### **GLOBAL COMPLIANCE**

Our products meet the standards of MDR, UKCA, and ISO 13485, ensuring reliable, safe, and top-quality instruments for all.

### **INNOVATIVE SOLUTIONS**

We continuously explore new ways to enhance the dental experience, offering cost-effective tools that support distributors, dentists, and private label needs worldwide.
